#### **Addendum to the minutes of November 10, 2022**

**Prior to the membership meeting the board officers met with the following decisions made:**

**The CVC board has decided to not give a years' Pathfinder subscription to new members. New members can find a shortened version online at <http://www.esva.online/pathfinder-volkssport-club-of-the-northwest/>**

**The CVC board has decided to not have a special table at the San Antonio convention because we have no significant events coming up in 2023. The table is supposed to be manned for four hours a day during the event. No one wants to put in the time at the table or organize others to be there.**

**Other information discussed at the meeting not on the agenda:**

**People going on Thursday walks need to be at the start point of the walk from around 9:45 to 10 am to sign up. If there is a remote start, leave time to get to the remote start. Please don't leave early because we don't want to miss someone new. Sometimes registration is out of the back of a car and sometimes it is in a physical start point (like Bayview Thriftway Deli). If you registered on the OSB, please go to the physical start point as well.**
