**Our February 13 meeting was canceled** due to inclement weather. Here is some important information for you to know. Karen Younkins

The January minutes and Treasurer's report will be voted on in March. Flag Challenge awards will be presented in March.

**Stamp Stickers:** Please check the stickers in the walk boxes when you go on a CVC walk. If you feel that a certain walk needs more stickers, please contact Pam Greig Davis or Chase Davis for more stickers. When you attend a year round walk sponsored by another club please contact the person in charge of that walk. His/her name and contact information should be in the walk box.

**Colored Front Door Challenge** - This challenge started February 1, so check out the information I already sent to you.

Please update your **CVC Thursday walk** schedule for **FEBRUARY 27**. We will be registering at Curran Coffee, 2123 N. 30th St., Tacoma, and will be driving to the Safeway Store, 2411 Proctor St., Tacoma, to start the YRE 0816 walk. Allow 10 minutes to drive to the start point and start at 10 AM.

**AVA Delegate and Alternate Delegate:** I am happy to announce that our AVA Delegate will be Julie Heath and our alternate delegate will be Barb Malone at the **23rd AVA Biennial Convention**. Thanks for volunteering, ladies! The delegate will receive \$100.00 to help with expenses as per past practice.

The **NW Trek** registration form for April 27 is now on our website. Go to Traveling Guided walks, Eatonville Northwest Trek. Scroll down past some animal pictures and find Registration. Click on that and you will find the registration form.

**The Staircase Hike** is scheduled for Friday, August 1 and will be led by Carol Froelich. The hike will be sanctioned as a seasonal walk for three months.

Please contact me [jcyounkins@comcast.net](mailto:jcyounkins@comcast.net) if you have any questions. Thanks for your patience with our changeable weather. Keep safe out there. Karen Younkins
